

## Brinkley Heights Ministries

### CHRISTMAS TOY STORE

*Reaching out with the love and gospel of Jesus and helping needy children for Christmas.*

Brinkley Heights Ministries offers families in the 38108, 38112 and 38122 zip codes an opportunity to receive emergency help with their children's Christmas. All toys are donated by loving individuals and churches.

Each family receiving assistance visits with a spiritual counselor and discusses their needs and their personal relationship with God through Jesus Christ. Each year family members who would otherwise endure another Christ-less Christmas receive the greatest Christmas gift ever - salvation through Jesus Christ.
