

Rehearsal Notes

Kirby Woods Baptist Church

March 18, 2009

Volume 13, Issue 11

Music Minister's Musings

The Countdown Is On

We are down to...

**5 Weeks till
April 23 - 24!**

Are you becoming more comfortable with the music? Our goal is to TRY to have every song where we can do them with PowerPoint. The more people who are comfortable without the books, the fewer problems we'll have with page turns. You also sing better without the books. So, now you know! You have 5 weeks to wrap your mind around that and be prepared.

Do You Have an FM Radio?

Don't forget, each singer will need their own FM radio with headphones. The music will be transmitted over the air and that will be the only way for you to hear during the recording. If you have had or are having a problem locating one, please let me know so we can get this in the works.

Redemption Choir

Members Needed

They still need extra voices. If you are interested, get a CD from me tonight, give me or Alicia your shirt size, and plan on attending the rehearsal on Monday, March 23. There is also a letter explaining all the details of involvement in this choir.

Birthdays

The following
CHOIR MEMBERS
are celebrating birthdays
this week:

Karen McConnico 3/20
